Youth Development Program: The Youth Development Program is an afterschool and summer program provided by Bauer Family Resources at the Bauer Community Center. The Youth Development program is free and open to youth grades 1 - 12. The Youth Development program promotes attaining social and educational goals by providing constructive activities and building leadership skills. By focusing on the Search Institute's 40 Developmental Assets®, the Youth Development program builds on positive experiences that are essential to raising successful youth. Various activities include homework assistance, recreation, and STEAM (science, technology, engineering, arts, and math). A snack and dinner are provided after school and additionally, lunch is provided in the summer months. Hours of Operation: Grades 1-4, 2:45 PM – 6:00 PM, Grades 5th-6th, 3:15 PM – 7:00 PM; Grades 7th-12th, 5:00 PM – 7:00 PM during the school year, and 10:00 AM to 5:00 PM during the summer.

Bauer Family Resources expanded its afterschool Youth Development program in partnership with Sunnyside Intermediate School and Thomas Miller Elementary School as part of the 21st Century Community Learning Center (CCLC) initiative by the Indiana Department of Education. The program is offered at no charge to families and is held at Sunnyside for youth in 5th and 6th grade and at the Bauer Community Center for youth in 3rd and 4th grade. The goal of the program is to provide youth an academic enrichment program aligned with the Indiana Academic Standards which promotes out-of-school learning. Programming includes tutoring, a literacy-focused curriculum, a broad range of academic and personal enrichment activities, and an afterschool snack. The Lafayette School Corporation provides transportation to Bauer Community Center, for Sunnyside Intermediate School students, where additional recreational activities and dinner occur.

School Court: Sunnyside School Court is a collaboration between Bauer Family Resources and Sunnyside Intermediate School. The program is designed to serve as an immediate sanction for youth's school behavior while providing asset-building activities. The program's goal is to divert students from more punitive sanctions including in-school and out-of-school suspension. The program integrates components of the *40 Developmental Assets* to strengthen youth's relationship with the school by setting clear and consistent school boundaries, providing youth an opportunity to take responsibility for their behavior, as well an opportunity to give back to their community and develop resistance skills.

Bauer Family Resources operates the community-based Head Start programs in Carroll, Clinton, Tippecanoe, and White Counties. The program promotes school readiness by enhancing the social, cognitive, language, and physical development of children ages 6 weeks to age 5 and pregnant women. In all four counties, children ages 3-5 attend full-day school readiness programming that includes breakfast, lunch, and afternoon snack.

Early Head Start

In Tippecanoe County, children age 6 weeks to 35 months attend full-day preschool programming that includes breakfast, lunch, and afternoon snack. Formula and bottles are provided for infants. Diapers and training pants are provided at no charge and staff work with families on toilet training once developmentally appropriate. There is an additional Home-Based option for parents who choose to keep their babies and toddlers at home but wish to benefit from the comprehensive services.

The Pregnant Women's Program supports mothers from early gestation through the birth and first 6 weeks of infancy with a foundation for pregnancy care, labor, & parenting. Expectant parents participate in education classes, support groups, monthly home visits, birth plans, hospital tours, and a fatherhood program. Legal Aid works in the general area of divorce/separations, custody/visitation, power of attorney, grandparent's foreclosure, adoption, guardianship, name change, small claims defense, consumer defense, mental commitment, paternity (after it has been established) property owner/tenant, CHINS/DCS (child in need of services) cases, and some other matters. Legal Aid does NOT do work in these areas: criminal cases, torts/trusts, traffic violations, worker's compensation, bankruptcy, wills, DUI's, cases that generate money (we do not sue) situations where the applicant wants to sue someone else, or where there are enough resources to obtain a private attorney. Description: Tippecanoe County is divided into 13 townships. A Township Trustee is an elected official who is responsible for township assistance for established residents of their township. This may include help with food, shelter, utilities (not including back rent, deposits, reconnect fees or penalties), clothing, prescription medicine, and funeral expenses. Income guidelines are based on 100% or more of the current Federal Poverty guidelines; some exceptions may apply. Indiana Code states that applicants must utilize all federal resources (Area IV, FSSA, HUD, etc.) before utilizing the Township Trustee.

To apply for assistance, call the appropriate Township Trustee. Applicants may be required to show documentation of income, bills, etc. If denied services, the resident applicant should receive a form TA-1A stating the reason for denial.

Crisis Intervention

(765) 742-0244 (24-hour hotline)

Provides free and confidential crisis intervention, suicide prevention, information, and referral services. Trained volunteers offer a supportive listening ear to callers or walk-ins. This means listening "actively" to people while they search for solutions to their problems. Provides appropriate and comprehensive referrals to other community services and support groups through an electronic database.

Teen Line

(765) 423-1872 (24-hour hotline)

Provides free and confidential listening ear to area teens about problems they want to discuss. Also provides referrals to area services and support groups.

Rape Survivor Advocacy & Prevention

(765) 742-0244 (24-hour line)

Provides trained female and male advocates to accompany survivors of rape/sexual assault to hospital emergency room, police station, or courtroom. Advocates provide a listening ear, referrals, and information about procedures a rape survivor may go through at the hospital if they decide to prosecute. Does not provide transportation. Calls are handled through the Crisis Center. A Crisis Center volunteer will assess the situation and decide if an advocate is required. If so, the caller must be willing to leave a name and phone number so the advocate can call them back and/or arrange where to meet them (at a hospital or police station). Advocates will not enter the home of anyone. Advocates can also be requested by local hospitals or police personnel through the Crisis Center.
